

## Lesson Plan

**Grade level(s):** 6-8

**Topic:** Writing Book Reviews

**Minservice Objective(s):** The teachers will use their Destiny login and password write a book review.

**Big6 Skills:** Information seeking strategies and Location and access, Use of Information, Synthesis, Evaluation

**Materials Required:** Login and password for each teacher, computer, handouts for writing a book review (Change status of participating teachers and their students to Reviewer, etc.)

**Time Required:** 30 min.

### **Description of activities:**

The teachers will

1. Teachers will log into the Destiny program using login and password
2. Teachers will select Catalog and search for a title to review and open the record
3. Teachers will write and save a brief review in WORD using the district library guidelines and then transfer that review to Destiny
4. Teachers will check and accept their review for the catalog.

**Assessment:** Discussion and feedback as librarian gives assistance
