

Lesson Plan

Grade level(s): Professional

Topic: The social studies teachers at LHMS will learn how to use the History Study Center section of eLibrary so that they can teach their students how to use it.

Objective(s): The participants will:

Learn what eLibrary and the History Study Center are, that they are part of the LiLI databases provided by the State of Idaho.

Learn how to access the History Study Center.

Learn about the parts of the History Study Center: the Timeline, Study Units, Historical Documents, Maps and Reference, Multimedia, and Journals.

Learn how to do basic and advanced searches.

Review the Study Guides.

Big6 Skills: Task Definition--The LHMS Social Studies teachers will learn about the History Study

Center part of eLibrary so that they will be able to use it with their students.

Location & Access—Training time will be scheduled on an In-service day.

Use of Information—Each teacher will have a computer with access to eLibrary.

SynchronEyes may be available.

Synthesis—Each teacher will think of a way to use the History Study Center in his or her classes.

Evaluation—Teachers will share their ideas.

Materials Required: Computers with access to eLibrary

Time Required: 45 min.

Description of activities: I will guide the teachers in an examination of the History Study Center.

Assessment: E-mail survey.
