

Lesson Plan

Grade level(s): Gr. 3-5

Topic:
Career Exploration

Objective(s):

To become aware of the many ways people work in their community

To identify things they enjoy and are good at as a route to choosing their own future occupation

Materials Required:

Online and print resources

Information Sheet

Time Required:

2 class sessions of 20 minutes

(choose occupation in previous session)

Description of activities:

Groups of three to investigate one career

Complete information sheet: name of career, short description, what education and/or preparation do you need for this job and what I like about the career chosen

Group creates poster showing the career field they investigated in art class and presents during library class

Assessment:

Poster information and neatness

Information sheet completed
